- 01** Wash dirt off with nylon non-woven fabric without scratches
- 02** Make the bubble easily and good to contain detergents
- 03** Drain well and it is possible to use for long period

KCL 02
Anti-Bacterial Kitchen Sponge Net

- 01** 3D pile net to catch dirt
- 02** Make the bubble easily and good to contain detergents

KCL 03
Anti-Bacterial Kitchen Sponge Hard

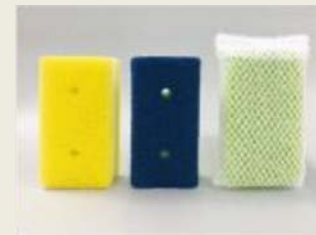

- 01** Wash grime off easily since it is attached non-woven fabric with abrasive
- 02** Make the bubble easily and good to contain detergents
- 03** Drain well and it is possible to use for long period

The two holes on the urethane foam with good foam makes rich foams.

Keep clean since it drains well and dries quickly.

Wash cleanly with rich foams and the non-woven fabric and net to remove dirt completely.

The size to grab easily, especially for women.
