

Multi-purpose shirt hanger for indoor and outdoor use.

Laundry Foldable Shirt Hanger

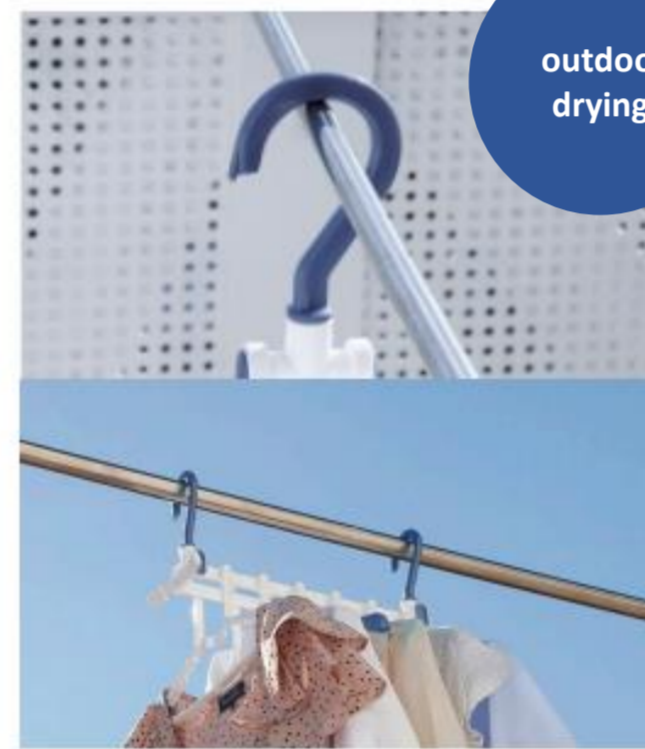

Shirt hanger for hanging six shirts or T-shirts using a door, lasso, and pole.

indoor
drying

Indoor drying with hooks

When drying indoors, the angle of the hooks can be adjusted using the anti-collapse wire to hang them on drawers.

outdoor
drying

Hooks can be used to dry outdoors

Can be dried outdoors using hooks at both ends.
✘ When using the hooks at both ends, do not use the anti-collapse wire over the hooks.

hanger

Extendable, two-fold shirt hanger

The shirt hanger folds in two, allowing you to dry T-shirts and other round-necked items without stretching them. The shoulder section can also be stretched from 33 cm to 43 cm, making it easier to hang small clothes such as children's clothing.

movement
storage

Clothes can be moved
and stored while hanging

Storage

Foldable for compact storage
